Story thus far. . .

For eons, the land of Spoolner has hung precariously at the edge of inexistence. An incredible magic flows throughout this world, channeled and contained by the slumbering entity Lord Charlotte. Those linked to Charlotte manifest a portion of this magic. They are known as Sorcerers and live in a strained balance with parsoners, non-magical humans. But this delicate balance is vulnerable to a greater power, a force that threatens to destroy all of Spoolner.

Big Mama, sister to Charlotte and sworn protector of Spoolner, has struggled endlessly to keep this power in check. Using her team of Sorcerer Hunters to maintain order and punish the cruelest of the magic-users, Big Mama envisions and strives to bring about a unified world of perpetual peace. Ironically, it is one of her most devoted disciples, Carrot, who may bring about the demise of not only her dream, but the very fabric of life itself. Before the powers of the Dark Lords were defeated in the Great Magic War, they sought to hide their God of Destruction from the forces of good until such a day on which they could rise again. The God of Destruction resides within Carrot and is now about to be awakened, heralding the return of the Dark Lords.

Only the Sorcerer Hunters, aided by friends and former enemies alike, stand between salvation and total annihilation. Will their combined might be enough? And what part will the much-alluded-to "Four Heavenly Pillars," embodied in Marron, Tira, Chocolat, & Gateau, play in this apocalyptic struggle?

All will be revealed, brave reader, in the explosive conclusion to the Sorcerer Hunters saga!

When you took Apricot from me, I was thrown into a pit of unimaginable despair!

I swore then that I'd chase you all the way to the bowels of hell!

No...

no...

#66 The Human Heart

Grand Pa,
if you don't
stop
lying...

I'll
kill
you.

Is this
some
sort of
sick
joke?!

She's much
stronger
than that!
Much
stronger
than me!

She
couldn't...

Apricot
wouldn't...

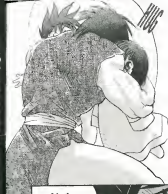

I
don't
believe
it!

Onion...

AAAAAGGGHHH!!

LOU

Aww,
Pop,
that
hurts!

What's
wrong
with
Mother?

Mother
was... sick...
She went to a
better place,
far away...

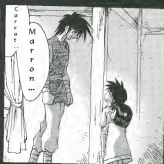

Where?

When
is she
coming
home?

Hey...
Hey...
I'm
here,
boys.

I'm going
to kill you!

WHOM

WSSH

Heh
heh.

WSSH

WSSH

The
human
heart is
pathetic.

What?!

Even
if you
destroy all
of the
shadow
Apricots...

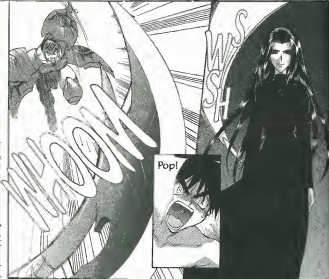

...you'll
instinctively
hold back
when it
comes to
the real
thing.

Never!

Love
is an
emotion
of
weakness.
You will never
defeat
me!

Watch
me, you
bastard!!

Ah, you
see...?

When I
take over
a person's
body,
Onion... I also
possess
all of
their
talents
and
abilities...

...allowing
me to
manage
things
such as
this...!

Unk...

Gaias...
That's
Mom's
power!

Fool,
you
can't kill
me.

Unk...

A A H H !

After
meeting
Kanure
Stella...

meditated
intensely.

bang

bang
bang

What
troubles
you so,
Cashew?

You've
been here
for
months...

As
have
you.

These
humans
are
strong.

Many
lost their
homes
or were
killed...
and yet...
they carry
on.

They
exhibit
such
strength.

Cool
Mint and
Almond Rassel
have disappeared.
Ridela has been
sealed off and the
ghouls have
vanished...

What will
you do
now,
Cashew?

I'm
going
to live as
a human,
instead of
destroying
them.

And
no longer
be a
Lord of
Darkness?

Then
maybe
I will,
too.

!?

I'm
going
to live
among
the
humans.

Human
happiness,
sadness,
anger, and
love...

I
want
to know
more of
these...
to feel
more of
these...

Who
knows?
It
might be
interesting
...

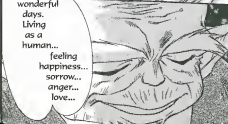

You'll
age
like the
humans,
too.

NOO

So, in a hundred years, we'll be a couple of old geezers.

Ha!
That's right!

Those were wonderful days. Living as a human...
feeling happiness...
sorrow...
anger...
love...

It moved me so much more than all the days of endless killing... and I learned human strength.

My, such a boring story!

Look at you... a wrinkled old body with feeble powers.

You never could understand, Cool Mint.

Understand this... it's time for you to die, Cashew Price.

Just at the edge of death, your instinct for self-preservation triggers this most powerful of spells.

But you
see,
I knew I
wouldn't
die.

I can't...
I won't
die...
not until
I've saved
my
brother.

How

He took his own life?!

Huh, I
see... You

suspended
your life
for a
moment.

It
was
a gamble
whether it
would work,
though...

Damn...
Lost...too

that

FWP

You two...?!

Gin Namba ...?

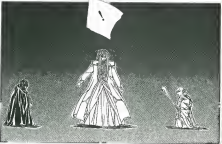

Thought I'd see this through to the end.

What are you doing?!

Uhh I... can't move?!

Sacrificing your life for the ones you love...

That is another example of human strength.

Even if I
can't actually
strike at
Apricot's
form, I can
still aim for
my own.

I'm...

sible

I did it,
my love.

But
what does
Mama plan
to do?

Even if
they save
Cahwit,
what can
we do?

I
think
...

You
think
...?

...Mama
would forfeit
her life to
seal
Charlotte
away.

Mille!

Whaaa?

Have you
fully
recovered,
Mille?

I
can't
rest at
a time
like this.
If what
you say
is true...

But the
world was
saved
because of
that.
Yeah!

Charlotte's
feelings...
and his
hatred of
the world...

In order
to balance
the two,
Mama will
seal her-
self away
with
Charlotte.

...Mama
plans to go
to sleep
with Lord
Charlotte...

...
Forever.

That
must
be it.

Mama

to kill
Charlotte.

upon the
world.

there is
still
hope.

I am

Apricot

And from
The Light in the Midst of Destruction

Comes
The Awakening of the Four Heavenly Pillars

I am
Apricot
Glaze.

It's true.

The memories that were lost have all returned to me.

But how?

But in order to deceive him, only the illusion of Mousse could be visible.

Nature Spirits?

Yes, with the help of these spirits...

After trapping Almond Russel in my body, my soul escaped, but drifted aimlessly through the ether.

...I was able to enter this body that Russel had created with his evil alchemy.

...while my true essence slept deep within my heart.

It was the Nature Spirits that saved me.

ACUBBLE

Mother,
I'm glad...
but... my
brother is...

Aunt
Apricot!
Is there a way
to bring
him back?!

We'll do
anything!
Please,
help
Carrot!

Yes,
I
know.

To stop
the God
of
Destruction,
we must
channel the
power of the
Four
Heavenly
Pillars.

Four
Heavenly
Pillars?

Yes.

The
beings who
once contained
the God of
Destruction.
You see...

They
reside
within the
four of
you.

I WILL

I can
under-
stand the
others,
but
why
me?

Because
your
fate and
Carrot's
are
linked.

Huh?

There was once a plane of existence higher than our own. That was their home.

Some might even call them gods, but their world was obliterated by the God of Destruction.

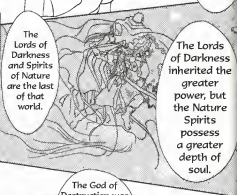

Shunned by the others, he closed his heart and fell prey to hate.

When his rage and loneliness consumed him, everything died.

Huh?!

The Lords of Darkness and Spirits of Nature are the last of that world.

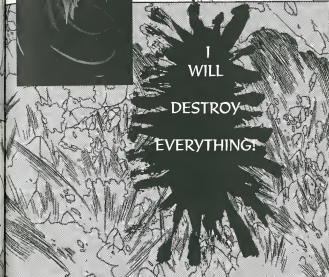

The Lords of Darkness inherited the greater power, but the Nature Spirits possess a greater depth of soul.

The God of Destruction was a changeling among them, imbued with awesome power.

The Spirits have explained everything to me.

He was just like Charlotte.

I
WILL
DESTROY
EVERYTHING!

If you
channel the
Four Heavenly
Pillars
you may have
a chance at
defeating the
God of
Destruction.

But...
I can't
help you
with
bringing
Carrot
back.

Marron,
Tira,
Chocolat...
what
about
you?

I...
I want
to save
both
Carrot

world.

What's

What is this
that I'm
experiencing?

Oh, yes... I
died, didn't
I...

I could never get Carrot to admit that he loved me...

But that's all right.

At least I confessed my love to him, and I won't have to see Carrot die.

And yet...

Farewell,
Chocolat...
Marron...
Gateau...

...I wish I could have heard him say those three words...

I love you!

It was said that
the Mother of

greatest
of loves.

appropriate
that it

love

It is a
thing that
is
difficult to

Destruction
is so much
easier...

Sadly,
people will
most often
choose the
easier path.

But... it is
a path
that
leads
nowhere.

Regardless of
what trials lie
ahead, people
must move

hope in their
hearts.

Powerless,

Sorcerer Hunters

With our epic tale drawing to its cataclysmic climax, the Sorcerer Hunters are struggling through their darkest hour, keeping the God of Destruction from being unleashed to wreak havoc upon the lands of Spoolner. Only two people can release this terrible evil force - Lord Charlotte, an eternal enemy of the Sorcerer Hunters, and Carrot Glacé, a Sorcerer Hunter himself who tussles with an extra-dimensional possession. And with Tira and Chocolat captured by Lord Sacher Torte, Gateau and Marron embroiled in a bitter battle to keep the dead at bay, and Grand Pa facing down a foe from his past, Carrot may have to face his foe alone.
